## Club Jackets

Sutton-in-Ashfield Harriers have secured funding from The Local Network Fund for Children and The Bridging the Gap Fund for the purchase of Club jackets for use on club night and at race or athletic meets. We believe that everyone wearing a jacket will raise the profile of the Club. The jackets will remain the property of the club but each member will have responsibility for their own jacket. It is with this in mind we are drawing up this contract to protect the clubs responsibility and assets.

Basically this means that if you leave the club the jacket has to be returned or you will be liable for the replacement cost. We have also been asked by the grant providers that we will provide items for any publicity for them to highlight their work and also the clubs profile so we hope you will agree for any photographs or news items to be used for this purpose. Person(s) under 18 years of age will require the consent of parent/guardian.
